

Looking forward to a new mayor, a podcast

Hosted by Austin Schuster & Chris Ranta

Join Chris Ranta and Austin Schuster, as they give a brief overview of how Edmonton's mayoral election is shaping up, looking at each of the candidates who have declared so far: Brian Gregg, Kim Krushell, Mike Nickel, Diana Steele and Cheryll Watson.

And, since it's never too early for public opinion, they also look at the early polling, to see who's in the (very) early lead.
